

Google Classroom is a tool available to all schools who subscribe to Google Apps for Education. Classroom weaves together Google Docs and Drive to help teachers create and organize assignments quickly and easily assess learning. Participants will create sample lessons and develop instructional delivery strategies enhanced with Google Classroom.

During this 5 part workshop series, participants will learn how to:

- ◆ Join and Create Google Classrooms
- ◆ Create Announcements, Discussions
- ◆ Create Collaborative Assignments for the Whole Class.
- ◆ Summative and Formative Assessment Strategies
