Microsoft Surface Tablets

Workshop Description: Microsoft's Surface tablets bring all the best tools for teaching and learning together in one device. Surface is mobile, durable, supports online and offline capabilities, and is compatible with standard IT environments in school and at home. In this workshop you will learn how to: Use Surface's unique hardware features, make easy use of Windows 10 navigational tools and preloaded software, use Surface's photo and audio tools, use the Surface Pen to draw, erase and share in Microsoft Edge and OneNote, and meet the digital assistant- Cortana.
